## THE Liggett Merit Scholarship AT UNIVERSITY LIGGETT SCHOOL

All 9th grade applicants who complete the application process by January 14, 2022 will be considered for the Liggett Merit Scholarship. The Liggett Merit Scholarship seeks to attract students of exceptional academic strength and promise, with dynamic cocurricular interests, who will contribute to the upper school community. Liggett Merit Scholars are active citizens who set a high standard, take pride in their work and thrive in the school's challenging and innovative curriculum.

## Liggett Tuition Assistance

Tuition assistance may be available for qualified candidates whose family demonstrates financial need. Tuition assistance funds are finite and are typically exhausted each school year by the February deadline. A separate tuition assistance application is due at the same time as the admissions application. Tuition assistance is not available for the prekindergarten program.
